Application No. 10/603,433
Paper Dated March 14, 2005
Attorney Docket No. 116-031068

A call was received from Examiner Hashmi on March 9, 2005 indicating that the above-identified patent application would be abandoned for failure to timely reply to the Office Action dated May 14, 2004. However, Applicant's representative did not receive this Office Action and a search of the file jacket and docket records indicates that the Office Action was not received. A copy of the docket record where the non-received Office Action would have been entered had it been received and docketed is enclosed herewith. As can be seen on the docket record, the last item entered was a Notice of Publication of Application which mailed by the United States Patent and Trademark Office on January 1, 2004 and received on January 12, 2004. On March 11, 2005, Mr. Ryan Miller of The Webb Law Firm spoke with Special Program Examiner (SPRE) Hien Huy Phan (Art Unit 2800) to determine the requirements of a Petition to Withdraw Holding of Abandonment. Mr. Phan indicated that the petition should include the above statement along with a copy of the docket record, and should be faxed to 703-872-9306, the Official Fax Number of Art Unit 2800.

Therefore, Applicant respectfully requests that this Petition be granted and the application be reinstated. The Applicant also requests that the Office Action of May 14, 2004 be re-mailed with a new shortened statutory period set. No fee is believed due for this Petition. Nevertheless, the Commissioner for Patents and Trademarks is hereby authorized to charge any additional fees which may be required to Deposit Account No. 23-0650.

Respectfully submitted,

WEBB ZIESENHEIM LOGSDON
